**FREE PRACTICE MCAT ON SATURDAY, JANUARY 27th**

Altius Test Prep is offering students the opportunity to experience a true-to-life MCAT practice exam on Saturday, January 27th from 10:00 AM to 3:00 PM in Payne Hall (EDB) 120.

- The exam you will attempt has been standardized on thousands of U.S. pre-med students.
- You will receive a predictive TOTAL MCAT SCORE, plus a SCALED SCORE for each section.
- Unlike other practice exam events, you will experience several important "test day realities," such as the extensive check-in/check-out procedure, fingerprinting, metal detectors, and so forth. It is important to become comfortable with these stressors before your actual exam.
- REFRESHMENTS will be served during the mid-point exam break!
