

Interested in volunteering or interning?

Consider Arizonans for Children!

We offer many services including **supervised visitation** for families working through Family Court. We are seeking volunteers or interns to join our team to train and supervise visits between parents and children. This is a unique opportunity as your observations play a key part in long term decisions made by a Family Court Judge.

- 2 locations: Phoenix and Mesa
 - Greatest need in Phoenix; **open 7 days a week**
- Seeking folks with attention to detail, listening skills, and ability to observe and write reports
- An application and background check are required
- Training is provided
- Commitment time is flexible; let us know what you can do and we'll create a schedule that works for you
- Bi-lingual (English/Spanish) is a bonus
- If you are seeking an internship, please identify which intern program you are part of when you contact us!

We'd love to tell you more!
