

THOMAS JAMES DISHION
CURRICULUM VITAE

Department of Psychology
Arizona State University
ASU REACH Institute
950 S McAllister
Tempe, AZ 85287-1104
(480) 965-5405
dishion@asu.edu

EDUCATION AND DEGREES

University of California at Santa Barbara

B.A. Philosophy, June 1977

University of Oregon

M.A. Behavioral Science, January 1980

M.A. Clinical Psychology, January 1984

Ph.D. Clinical Psychology, June 1988

University of Washington

APA-approved Clinical Psychology Intern, Child Track, Department of Psychiatry and Behavioral Science, July 1987 to July 1988

AREAS OF SPECIALIZATION AND INTEREST

Child and Family Clinical: Developmental psychopathology, theoretical models of child and adolescent socialization, family and peer interaction methodology, child and adolescent substance use and problem behavior, adolescent depression, family-based intervention, behavior-change theory, prevention science, dynamic systems, social neuroscience, implementation research.

HONORS AND AWARDS

American Psychological Society Fellow, 2001

Society for Research on Adolescence: Social Policy Best Journal Article Award, 2002:

Dishion, T. J., McCord, J., & Poulin, F. (1999). When interventions harm: Peer groups and problem behavior. *American Psychologist*, 54, 755–761.

University of Oregon: Research Innovation Award, 2006

American Psychological Association: Distinguished Contributions to Family Psychology, 2006

Society for Prevention Research: Prevention Science Award, 2010

PROFESSIONAL EXPERIENCE

REACH Institute, Arizona State University, January 2014 to present

Founder and Director

Arizona State University, Department of Psychology, August 2011 to present

Professor of Psychology

Child and Family Center, University of Oregon, February 2011 to present

Research Scientist

University of Oregon, Department of Psychology, September 2006 to July 2011

Professor of Psychology and Professor of School Psychology

Child and Family Center, University of Oregon, December 1999 to February 2011

Founder and Director

University of Oregon, Department of Psychology, September 1999 to 2001

Director of Clinical Training

University of Oregon, Department of Psychology, September 1998 to July 2004

Principle Investigator of Development and Psychopathology Training Grant

University of Oregon, Department of Psychology, June 1997 to September 2006

Professor of Clinical Psychology

University of Oregon, College of Education, June 1995 to June 1997

Associate Professor of Counseling Psychology

State of Oregon, 1991 to present

Licensed Child Clinical Psychologist

Oregon Social Learning Center, July 1988 to September 2000

Research Scientist

PROFESSIONAL SCIENCE ACTIVITIES

| | |
|--------------------------------|---|
| March 2003–June 2006 | Duke Executive Committee on Peer Contagion and Social Policy; Steering Committee with Dr. Kenneth Dodge and Dr. Joan McCord |
| October 1988–present | NIMH and NIDA: Consultant in Scientific Peer Reviews |
| October 1992–1996 | NIAAA: Reviewer in Epidemiology and Prevention |
| January 2005–January 2009 | NIH: Reviewer in the Psychological Development, Risk and Prevention Review Committee |
| June 2005–June 2006 | Board of Directors, Society for Prevention Research |
| January 2007–2013 | Board of Directors, Implementation Sciences International Incorporated |
| Past Member, Editorial Boards: | <i>Developmental Psychology, Child Development, Journal of Adolescence, Journal of Abnormal Child Psychology.</i> |
| Consulting Reviewer: | <i>Journal of Family Psychology, Developmental Psychopathology, Developmental Psychology, Journal of Abnormal Psychology, Journal of Substance Abuse, Psychological Bulletin, Journal of Consulting and Clinical Psychology, Development and Psychopathology, Journal of Abnormal Child Psychology, Child Development, Journal of Child and Adolescent Psychiatry, Journal of Child and Adolescent Clinical Psychology, Brain and Behavior, Prevention Science, Journal of Adolescence.</i> |

(1998, March). *Prediction of parent participation in a tiered model of assessment and intervention for early adolescent problem behavior*. Paper presented at the sixth annual meeting of the Society for Prevention Research, Park City, UT.
- Poulin, F., Dishion, T. J., & Medici, N. (1998, June). *Antisocial behavior and stability of friendship networks in middle school youth: An analysis of network structure, behavioral confluence, and satisfaction*. Paper presented at the meeting of the International Society for the Study of Behavioral Development, Bern, Switzerland.
- Dishion, T. J., Medici Skaggs, N., & French, D. (1999, April). *The ecology of deviant peer clustering in adolescence*. Paper presented at the biennial meeting of the Society for Research in Child Development, Albuquerque, NM.
- Dishion, T. J., Burraston, B., & Owen, L. (1999, June). *The ecology of adolescent substance abuse: The role of friendships in linking early onset to adult abuse*. Poster session presented at the ninth scientific meeting of the International Society for Research in Child and Adolescent Psychopathology, Barcelona, Spain.
- Dishion, T. J., Poulin, F., & Capaldi, D. (1999, June). *The ecology of adolescent substance abuse: Processes associated with progressions from early to late adolescence*. Poster session presented at the ninth scientific meeting of the International Society for Research in Child and Adolescent Psychopathology, Barcelona, Spain.
- Bullock, B. M., & Dishion, T. J. (1999, November). *Sibling collusion and problem behavior during adolescence*. Poster session presented at the 33rd annual convention of the Association for the Advancement of Behavior Therapy, Toronto, Canada.
- Dishion, T. J., Burraston, B., Poulin, F., & Harrington, P. (1999, November). *Peer group dynamics associated with iatrogenic effects in group interventions with high-risk young adolescents*. Presentation made at the 33rd annual convention of the Association for the Advancement of Behavior Therapy, Toronto, Canada.
- Dishion, T. J. (1999, November/December). *Development of antisocial behavior and interventions that work: The Family Check-Up*. Presentation made to the Prevention of Antisocial Behavior, Starting at Conception Congress, Brussels, Belgium.
- Bullock, B. M., & Dishion, T. J. (2000, March). *Sibling collusion and problem behavior during adolescence*. Poster session presented at the eighth biennial meeting of the Society for Research on Adolescence, Chicago, IL.
- Kavanagh, K., Burraston, B., Dishion, T. J., & Schneiger, A. (2000, March). *Identification of middle school students' risk behavior: Contextual influences of gender and ethnicity*. Poster session presented at the eighth biennial meeting of the Society for Research on Adolescence, Chicago, IL.
- Dishion, T. J., & Bullock, B. M. (2000, November). *Sibling collusion and problem behavior: Concurrent and one-year outcomes for early adolescents*. Symposium presented at the 34th annual convention of the Association for the Advancement of Behavior Therapy, New Orleans, LA.
- Dishion, T. J., Bullock, B. M., & Owen, L. D. (2000, November). *Deviant norms in families: Constructing a process bridge to peer culture*. Symposium presented at the 34th annual convention of the Association for the Advancement of Behavior Therapy, New Orleans, LA.
- Gartstein, M. A., Dishion, T. J., & Ngoc-Thuy Nguyen, A. (2000, November). *Depressed mood and parental report of child behavior problems: Another look at the depression–distortion hypothesis*. Poster session presented at the 34th annual convention of the Association for the Advancement of Behavior Therapy, New Orleans, LA.
- Hogansen, J. M., & Dishion, T. J. (2000, November). *Analysis of change process in group interventions*

- with parents of antisocial adolescents*. Poster session presented at the 34th annual convention of the Association for the Advancement of Behavior Therapy, New Orleans, LA.
- Dishion, T. J. (2001, April). *Understanding and preventing adolescent drug abuse*. Presentation made at the biennial meeting of the Society for Research in Child Development, Minneapolis, MN.
- Dishion, T. J., & Owen, L. D. (2001, April). *Friendship process and progressions in drug use from adolescence to manhood*. Paper presented at the biennial meeting of the Society for Research in Child Development, Minneapolis, MN.
- Dishion, T. J., Granic, I., Burraston, B., & Kavanagh, K. (2001, May–June). *A two-stage analysis of prevention effects: Early adolescent problem behavior*. Presentation made at the ninth annual meeting of the Society for Prevention Research, Washington, DC.
- Dishion, T. J., Granic, I., & Bullock, B. (2001, June). *Advances in peer process research in understanding the development of problem behavior*. Presentation made at the 10th scientific meeting of the International Society for Research in Child and Adolescent Psychopathology, Vancouver, BC, Canada.
- Dishion, T. J., Kavanagh, K., Ball, A., & Stormshak, E. (2001, June). *An ecological perspective on families: Science and practice in the third millennium*. Presentation at the Washington State Family Policy Council, “On the Horizon: An Interstate Forum to Address Children’s Mental Health Issues,” Vancouver, WA.
- Hogansen, J., & Dishion, T. J. (2001, June). *Promoting change in parent group interventions for adolescent problem behavior*. Poster session presented at the 10th scientific meeting of the International Society for Research in Child and Adolescent Psychopathology, Vancouver, BC, Canada.
- Dishion, T. J. (2001, December). *An ecological perspective on families: Integrating science and practice*. Presentation made at the Eastern Oregon Psychological Association and The Confederated Tribes of the Umatilla Indian Reservation, Pendleton, OR.
- Dishion, T. J. (2002, March). Presentation made at The Harris School, University of Chicago, Chicago, IL.
- Bullock, B. M., & Dishion, T. J. (2002, April). *Entropy and socialization: New directions in understanding deviant peer process*. Poster session presented at the ninth biennial meeting of the Society for Research on Adolescence, New Orleans, LA.
- Dishion, T. J. (2002, April). *An ecological approach to the prevention of adolescent problem behavior: Interventions with families within a public school context*. Presentation made at the ninth biennial meeting of the Society for Research on Adolescents, New Orleans, LA.
- Dishion, T. J. (2002, April). Understanding and preventing adolescent drug abuse. In J. Campbell (Chair), *Building bridges between adolescent research and substance abuse research: Challenges and opportunities*. Symposium conducted at the ninth biennial meeting of the Society for Research on Adolescents, New Orleans, LA.
- Dishion, T. J., & Nelson, S. E. (2002, April). A longitudinal analysis of adolescent marijuana use: Parenting disengagement in the presence of deviant friendship process. In M. Brendgen & F. Vitaro (Chairs), *A closer look at similarities and differences of parent and peer influences on adolescent problem behaviors*. Symposium conducted at the ninth biennial meeting of the Society for Research on Adolescents, New Orleans, LA.
- Dishion, T. J., Nelson, S. E., & Bullock, B. M. (2002, April). Longitudinal observations of prosocial and deviant friendship process: Understanding the contribution of peers to young adult adjustment. In T. Nichols (Chair), *Measuring adolescent social competence: Connecting the ideal to the real*. Symposium conducted at the ninth biennial meeting of the Society for Research on Adolescents, New Orleans, LA.
- Dishion, T. J. (2002, May). *Peer contagion process: Implications for developmental and intervention science*. Presentation made at Oregon Research Institute, Eugene, OR.
- Dishion, T. J., & Kavanagh, K. (2002, May). An ecological approach to family-centered prevention of

- problem behavior. In F. Gardner (Chair), *Preventing problem behavior in early childhood: Using an ecological framework to build effective collaboration*. Symposium conducted at the 10th annual meeting of the Society for Prevention Research, Seattle, WA.
- Poulin, F., Dishion, T. J., & Boivin, M. (2002, July). Proactive/reactive aggression and adjustment problems in adolescence: A look at peer and family processes. In M. Brendgen (Chair), *Developmental pathways of proactive and reactive aggression: Precursors and consequences*. Symposium conducted at the 15th world meeting of the International Society for Research on Aggression, Montreal, Quebec, Canada.
- Dishion, T. J., Bullock, B. M., & Nelson, S. (2002, August). A dynamic systems analysis of developmental trajectories: Prosocial and deviant adaptation as an attractor process. In I. Granic & M. Lewis (Chairs), *Dynamic systems approaches to normative and antisocial trajectories of adolescent development*. Symposium conducted at the 17th biennial meeting of the International Society for the Study of Behavioural Development, Ottawa, Ontario, Canada.
- Dishion, T. J., Nelson, S., Yasui, M., Dorham, C., & Poulin, F. (2002, August). The ecology of deviant peer involvement in early adolescence: A longitudinal analysis of young multiethnic adolescents. In F. Vitaro & R. Engels (Chairs), *Peers in multiple contexts and adjustments during adolescence*. Symposium conducted at the 17th biennial meeting of the International Society for the Study of Behavioural Development, Ottawa, Ontario, Canada.
- Dishion, T. J., & Nelson, S. (2002, September). *Peer sequelae of familial entropy in adolescence*. Presentation made at the conference of the European Association for Research on Adolescence, New College, Oxford, UK.
- Dishion, T. J. (2003, March). *An ecological approach to intervening with children and adolescents with problem behavior*. Presentation made at The Hospital for Sick Children, Toronto, Canada.
- Dishion, T. J. (2003, April). Pragmatism in modeling peer influence: The impact of parent interventions on deviant peer association. In J. P. Allen (Chair), *Exploring the dark side of peer groups: What determines (or prevents) peer influences from turning negative*. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Tampa, FL.
- Dishion, T. J. (2003, April). The dynamics of friendship influence: Deviant talk as an attractor that predicts antisocial outcomes. In I. Granic (Chair), *Predicting antisocial behavior from observations of socialization processes: New systems approaches*. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Tampa, FL.
- Yasui, M., Dorham, C. L., & Dishion, T. J. (2003, April). *Ethnic identity and psychological adjustment: Comparing validities for European American and African American adolescents*. Poster session presented at the biennial meeting of the Society for Research in Child Development, Tampa, FL.
- Dishion, T. J., & Nelson, S. E. (2004, March). The Family Check-Up with high-risk young adolescents: Preventing substance use through parent monitoring. In K. Weichold & L. Caldwell (Chairs), *Mediators and moderators of the effectiveness of prevention programs against juvenile problem behaviors*. Symposium conducted at the tenth biennial meeting of the Society for Research on Adolescence, Baltimore, MD.
- Dishion, T. J. (2004, April). *An ecological approach to mental health services for children and families*. Presentation made at Oregon Research Institute, Eugene, OR.
- Dishion, T., & Gardner, F. (2004, May). *Innovation in observation methods for prevention science*. Presentation made at the 12th annual meeting of the Society for Prevention Research. Quebec City, Quebec.
- Kline, T., Wilson, M., Shaw, D. S., Gardner, F., Dishion, T., & Winslow, E. (2004, May). *Assessment of problematic toddler behavior in a preventative developmental intervention*. Presentation made at the 12th annual meeting of the Society for Prevention Research. Quebec City, Quebec.

- Shaw, D., Wilson, M., Gardner, F., & Dishion, T. (2004, May). *Utilization of Women, Infant, and Children (WIC) centers for conducting a preventive intervention for toddlers at-risk for early conduct problems*. Presentation made at the 12th annual meeting of the Society for Prevention Research. Quebec City, Quebec.
- Bullock, B. M., & Dishion, T. J. (2004, July). *Affective family dynamics of adolescent problem behaviour*. Poster session presented at the Ghent 2004 biennial meeting of the International Society for the Study of Behavioural Development, Ghent, Belgium.
- Connell, A., & Dishion, T. J. (2004, July). *Peer and family predictors of growth in adolescent depressed mood: Conditional growth models*. Poster session presented at the Ghent 2004 biennial meeting of the International Society for the Study of Behavioural Development, Ghent, Belgium.
- Connell, A., & Dishion, T. J. (2004, July). *The contribution of peer processes to monthly variation in early adolescent depressed mood: A short-term longitudinal study with time-varying predictors*. Poster session presented at the Ghent 2004 biennial meeting of the International Society for the Study of Behavioural Development, Ghent, Belgium.
- Dishion, T. J., Light, J. M., & Yasui, M. (2004, July). A network analysis of the confluence hypothesis in early adolescence. In F. Poulin & J. Kiesner (Conveners), *Changing peer networks during adolescence: Relations with problem behavior and substance use*. Symposium presented at the Ghent 2004 biennial meeting of the International Society for the Study of Behavioural Development, Ghent, Belgium.
- Dishion, T. J., Yasui, M., Stormshak, E. A., & Kavanagh, K. (2004, July). *A family intervention for early adolescent deviance within schools: A latent growth curve analysis of outcomes from age 11 through 14*. Presented at the Ghent 2004 biennial meeting of the International Society for the Study of Behavioural Development, Ghent, Belgium.
- Gardner, T. W., Ellis, L. K., Dishion, T. J., Posner, M. I., & Rothbart, M. K. (2004, July). *Using the Attention Network Task to predict adolescent antisocial behavior*. Poster session presented at the Ghent 2004 biennial meeting of the International Society for the Study of Behavioural Development, Ghent, Belgium.
- Liu, F., & Dishion, T. J. (July, 2004). *Parenting resource preferences and engagement in the Adolescent Transitions Program*. Poster session presented at the annual meeting of the American Psychological Association, Honolulu, HI.
- Lim, M., Stormshak, E.A., & Dishion, T. J. (2004, August). *Evaluation of a one session parenting intervention for at-risk youth*. Poster presented at the annual meeting of the American Psychological Association, Honolulu, HI.
- Yasui, M., Dishion, T. J., & Light, J. M. (2004, July). *Comparing the proportion and stability of interracial friendships among schools of varying ethnic diversity*. Poster session presented at the Ghent 2004 biennial meeting of the International Society for the Study of Behavioural Development, Ghent, Belgium.
- Connell, A. M., & Dishion, T. J. (2005, April). *Trajectories of substance use development in early adolescence: Examining peer and family risk factors and intervention effects*. Poster session presented at the biennial meeting of the Society for Research in Child Development. Atlanta, GA.
- Dishion, T. J. (2005, April). *Deviant peer contagion and group interventions with children and adolescents*. Presentation at the 85th annual convention of the Western Psychological Association. Portland, OR.
- Dishion, T., Kavanagh, K., & Stormshak, E. A. (2005, April). The pragmatism of a family-peer mesosystem model for adolescent problem behavior: Links to effective prevention. In A. D. Crump (Chair), *Translating the science of human development into preventive interventions: Case studies from the field*. Symposium presented at the biennial meeting of the Society for Research in Child

Development. Atlanta, GA.

- Gardner, T. W., & Dishion, T. J. (2005, April). Temperamental effortful control moderates relation between deviant peer affiliation and antisocial behavior. In J. A. Goodnight (Chair), *An interactionist approach to understanding development of adolescent antisociality*. Symposium presented at the biennial meeting of the Society for Research in Child Development. Atlanta, GA.
- Kline, T. L., Wilson, M. N., Schlatter, A. K. W., Galloway, S. K., Shaw, D. S., Dishion, T. J., & Gardner, F. (2005, April). *Response differences in ethnic identity. Life satisfaction and child behavior problems in a low income population*. Poster session presented at the biennial meeting of the Society for Research in Child Development. Atlanta, GA.
- Lim, M., Stormshak, E. A., & Dishion, T. J. (2005, April). *A one-session intervention for parents of young adolescents: Videotape modeling and motivational group discussion*. Poster session presented at biennial meeting of the Society for Research in Child Development, Atlanta, GA.
- Nelson, S., & Dishion, T. J. (2005, April). From boys to men: Predicting adult adaptation from middle childhood sociometric status. In M. Brendgen & W. M. Bukowski (Chairs), *Addictive and interactive effects of childhood behavioral dispositions and social experiences in school on adult psychopathology*. Symposium conducted at the biennial meeting of the Society for Research in Child Development. Atlanta, GA.
- Piehler, T. F., & Dishion, T. J. (2005, April). *Social development in adolescent friendship: The interplay between dyadic mutuality and deviant talk*. Poster presented at the biennial meeting of the Society for Research in Child Development, Atlanta, GA.
- Shaw, D. S., Gardner, F., Dishion, T. J., Supplee, L., & Wilson, M. N. (2005, April). A family based preventive intervention for toddlers at-risk for early conduct problems. In E. A. Stormshak (Chair), *Model based approaches to prevention and intervention with at-risk youth*. Symposium presented at the biennial meeting of the Society for Research in Child Development. Atlanta, GA.
- Stormshak, E. A., & Dishion, T. J. (2005, April). Family-based mental health delivered in public middle schools: Linking changes in problem behavior to service delivery. In E. A. Stormshak (Chair), *Model based approaches to prevention and intervention with at-risk youth*. Symposium presented at the biennial meeting of the Society for Research in Child Development. Atlanta, GA.
- Stormshak, E. A., Kavanagh, K., & Dishion, T. J. (2005, April). *The pragmatism of a family-peer mesosystem model for adolescent problem behavior: Links to effective prevention*. Society for Research in Child Development, Atlanta, GA.
