

Thao Ha, PhD

Arizona State University
Department of Psychology
950 S. McAllister, Tempe, AZ 85287, USA
Phone: (480) 727-5055
Email: ThaoHa@asu.edu

PROFESSIONAL POSITIONS

- Starting Fall 2017 **Assistant Professor of Psychology**, Department of Psychology, Barrett Honors College Faculty, Arizona State University.
- 2016 – present **Assistant Research Professor**, Department of Psychology, Barrett Honors College Faculty, Arizona State University.
- 2015 - 2016 **Assistant Research Professor**, the Institute for Interdisciplinary Salivary Bioscience Research (IISBR), Department of Psychology, Barrett Honors College Faculty, Arizona State University.
- 2015 **Assistant Research Professor**, the T. Denny Sanford School of Social and Family Dynamics, Barrett Honors College Faculty, Arizona State University.
- 2013 - 2014 **Postdoctoral Researcher**, the T. Denny Sanford School of Social and Family Dynamics, Arizona State University.
- 2012 – 2013 **Lecturer**, Department of Psychology, Radboud University Nijmegen, the Netherlands.

VISITING POSITIONS

- 2016 Visiting Scholar, Department of Psychology, Brain and Behavior lab (Professors Eveline Crone and Berna Guroglu), University of Leiden, the Netherlands.
- 2012 & 2013 Visiting Scholar, Swiss Institute for the Prevention of Alcohol and Drug Problems (Professor Emmanuel Kuntsche), Switzerland.
- 2010 Visiting Scholar, Department of Psychology and the Child and Family Center (Professor Thomas Dishion), University of Oregon.
- 2008 & 2009 Visiting Scholar, SickKids Research Institute, Hospital for Sick Children in Toronto (Professor Isabela Granic), Canada.
-

EDUCATION

- 2013 **Ph.D.** **Developmental Psychopathology**
Radboud University Nijmegen, the Netherlands.

- 2006 **M.Sc.** **Developmental Psychopathology, *Cum laude***
Research Master Behavioural Science Institute, Radboud University
Nijmegen, the Netherlands.
- 2004 **M.A.** **Developmental Psychology**
Radboud University Nijmegen, the Netherlands.
- 2003 **B.S.** **Psychology**, Radboud University Nijmegen, the Netherlands.
-

AWARDS AND HONORS

- 2015 Young Scholar Award for the Social Neuroscience Perspectives on Child Development, sponsored by SRCD and the Jacob's Foundation.
- 2010 Received a Frye award, which is awarded to the 10 most talented female PhD students of the Radboud University Nijmegen to promote a career in science.
- 2010 Received a student award from the Internationalization fund to support a working visit to Professor Thomas Dishion at The Child and Family Center, Eugene, United States.
- 2009 Selected from international applications to participate in the EARA/SRA summer school held in Vancouver, Canada.
- 2009 Received a student award from Internationalization fund to work with Professor Isabela Granic at The Hospital for Sick Children, Toronto, Canada.
- 2008 Received a Student Research Award from Association for Canadian studies in the Netherlands and a student award from Internationalization fund to support a working visit to Professor Isabela Granic at The Hospital for Sick Children, Toronto, Canada.
- 2007 Best Presentation Award from the Women in Science and Education Research organization (WISER), which is a European network of female faculty to promote gender equality in academia.
-

SPONSORED RESEARCH

External Grant Funding

- 2016- 2019 **Consultant**
(PIs; Roy Otten, Ron Scholte, and Karin Nijhof), Traumatized youths in residential care: Exploring the role of biological stress (re)activity and testing a videogame intervention to normalize stress responses. The Dutch Health Care Innovation Fund, total direct costs \$530,279.
- 2006-2012 **Principal Investigator** (Percent recognition: 100%)
The rocky road of love: A longitudinal observational study on affective quality in adolescents' interactions with partners, *Mosaic grant*, 017-

003-006 (Netherlands Organization for Scientific Research, equivalent to NIH). Total direct costs \$212,562.

The *Mosaic* grant aims to promote diversity in science by offering minority students the opportunity to develop an independent program of research during their PhD. Success rate is less than 10%.

2005

Principal Investigator (Percent recognition: 100%)

Received grants from the Behavioural Science Institute and from the Stichting Nijmeegs Universiteitsfonds to cover research expenses and to support a working visit to the University of Ho Chi Minh City, Vietnam. Total direct costs \$3,200.

Internal Grant Funding

2014 – 2015

Principal Investigator (Percent recognition: 100%)

A social affective and neurocognitive study on adolescent romantic relationships predicting depression and academic performance (ASPIRE project). T. Denny Sanford School of Family and Child Dynamics. Total direct costs \$60,000.

2014 – present

Principal Investigator (Percent recognition: 20%)

(Multiple PI project with Leah Doane, William Corbin and Tom Dishion), ASU Support for Success Initiative for Students in Transition to College (ASSIST-C). Arizona State Education Outreach and Student Services. Total direct costs \$167,000

PUBLICATIONS (student (co) authors during manuscript preparation are underlined)

PAPER PRESENTATIONS AT REFEREED CONFRENCES

*Indicates an invited presentation

1. **Ha, T.,** Mun, C. J., Dishion, T. J., & York, G. (2017). *Alcohol use and observed coercion within committed couples: Effects on daily satisfaction and conflict*. Paper

presentation for the symposium ‘Coercion and Violence in Relationships’, held at the Society for Prevention Research, Washington, DC, USA.

2. Rogers, A. A., Updegraff, K. A., Iida, M., Dishion, T. J., Doane, L. D., Corbin, W. C., Van Lenten, S. A., & **Ha, T.** (accepted for Nov 2017). *Trajectories of emotional well-being across the transition to college: The role of daily interactions with friends and parents*. Paper presented in individual paper session, Society for the Study of Emerging Adulthood biennial meeting. Washington, D.C.
3. **Ha, T.**, Yeung, E. W., Rogers, A. A., Poulsen, F., & Granger, D. A. (2017). *Partner support predicts adrenocortical attunement in adolescent romantic couples*. Paper presentation for the symposium ‘HPA axis functioning within close relationship dyads: Moderation by risky family history, social support, and oxytocin’, at the Society for Research in Child Development, Austin, Texas, USA.
4. Rogers, A. A. & **Ha, T.** (2017). *Observed coercion in adolescent romantic relationships predicts daily coercion experiences in real-life*. Organizer and chair of the symposium ‘The interactive and longitudinal effects of coercive dynamics in parent, peer, and romantic partner relationships’, at the Society for Research in Child Development, Austin, Texas, USA.
5. Dishion, T. J., Mun, C. J., **Ha, T.**, & Tein, JY. (2017). *Latent class analysis of observed adolescent relationship dynamics with friends and family: Ten-year adjustment sequela*. Organizer and chair of the symposium ‘The interactive and longitudinal effects of coercive dynamics in parent, peer, and romantic partner relationships’, at the Society for Research in Child Development, Austin, Texas, USA.
6. Champion, C., **Ha, T.**, & Dishion, T. J. (2017). *A cross systems analysis of coercive relationship dynamics: Adolescents friendships discussions predicting adult romantic relationships ten years later*. Paper presentation for the symposium ‘Adolescent social and emotion dynamics at multiple time scales and relations to psychosocial adjustment’, at the Society for Research in Child Development, Austin, Texas, USA.
7. Doane, L. D., Grimm, K. J., Van Lenten, S. A., Pelham, W., Dishion, T., Corbin, W. R., & **Ha, T.** (2017). *Optimal Levels of Sleep Duration and Quality in Late Adolescence: Links with Depressive Symptoms and Academic Performance*. Paper presentation for the symposium ‘Estimating Nonlinear Associations between Sleep and Adolescent Functioning: Is there an Optimum?’ at the Society for Research in Child Development, Austin, Texas, USA
8. ***Ha, T.** (2016). *Why should we be studying two brains?* Invited presentation at the Brain and Development lab at the University of Leiden, Leiden, the Netherlands.
9. ***Ha, T.** (2016). Invited as a leading innovative developmental neuroscience thinker to the Inaugural Kirby Summit meeting focused on neuroscience and adolescent sex education.

10. Rogers, A.A., Poulsen, F.O., & Ha, T. (2016). *Parent support and adolescent disclosure about romantic relationships: Longitudinal associations with problem behaviors*. Paper presentation for symposium 'Parental influence in promoting adolescent safety and mental health: Incorporating multiple perspectives', held at the Society for Prevention Research, San Francisco, CA, USA.
11. ***Ha, T.** (2016). *Behavioral and neural mechanisms of depression in adolescent romantic relationships*. Invited presentation at Berkeley.
12. ***Ha, T.,** Shore, D. M., Kuo, C., Granger, D. A., Thurston, E., & Dishion, T. J. (2015). *Rejection sensitivity impacts neural responses to social rejection from romantic partners and unfamiliar peers: A dual EEG acquisition*. SRCD special topic meeting, Social Neuroscience Perspectives on Child Development, Leiden, the Netherlands.
13. ***Ha, T.** (2015). *Neural responses to romantic partner feedback*. Invited presentation at the Brain and Development lab at the University of Leiden, Leiden, the Netherlands.
14. ***Ha, T.** (2014). *Physiological reactivity to adolescent romantic relationship stressors as a predictor of depression*. An invited presentation to the IISBR Symposium held at Arizona State University.
15. **Ha, T.,** Kim, H., Kim, H., Giletta, M., & Dishion, T.J. (2014). *Observations of "Shallow Talk" in adolescent friendships: A mediating process between drug use and later sexual-risk taking*. Organizer and chair of the symposium 'Peers and the emergence of romantic relationships in adolescence: Pathways to normative and problem development', held at the Society for Research on Adolescence, Austin, USA.
16. ***Ha, T.** (2014). *The development of adolescent romantic relationships and depressive symptoms*. Invited presentation at the preconference on adolescent peer relationships, Society for Research on Adolescence, Austin, USA.
17. ***Ha, T.,** Kim, H., & Winter, C. (2014). *Upregulation in adolescents' romantic relationship: A micro-dynamic relationship process relating to longitudinal changes in depressive symptoms?* An invited presentation to the Dynamic Mediation Workshop held at Arizona State University.
18. **Ha, T.,** van Roekel, E., Verhagen, M., Scholte, R. H. J., Engels, R. C. M. ., & Kuntsche, E. (2013). *An ecological study on the temporal dynamics of positive and negative affect after negative peer experiences*. Society for Research in Child Development, Seattle, USA.
19. **Ha, T.,** & Engels, R. C. M. E., & (2013). *We both love to drink: Adolescents' alcohol use and alcohol related interactions with romantic partners*. An individual presentation at Society for Research in Child Development, Seattle, USA.

20. *Ha, T. (2012). *No ordinary love: A longitudinal observational study on adolescents' romantic relationships*. Invited "young scholar keynote" presentation at the preconference on adolescent romantic relationships, Society for Research on Adolescence, Vancouver, Canada.
21. Ha, T., Overbeek, G., & Engels, R.C.M.E. (2012). *The blues of adolescent romance: observed affective interactions in adolescent romantic relationships in association with depressive symptoms*. Organizer and chair of the symposium *Managing negativity in the context of close relationships: implications for adolescents' social and emotional adjustment*", held at the Society for Research on Adolescence, Vancouver, Canada.
22. *Ha, T., Overbeek, G., & Engels, R.C.M.E. (2011). *The rise and fall of adolescent romantic relationships*. Invited presentation at a post-doc T32 meeting of the Prevention Research Center in the Department of Psychology, Arizona State University, Phoenix, United States.
23. *Ha, T., Overbeek, G., & Engels, R.C.M.E. (2011). *When teen love hurts: adolescents and their romantic relationships*. Invited presentation at the symposium "Love relationships" in honour of Prof. Dr. J. R. M. Gerris', Nijmegen, the Netherlands.
24. *Ha, T., Dishion, T. J., Overbeek, G., Burk, W.J., & Engels, R.C.M.E (2010). *The blues of adolescent romance: Observed affective interactions in adolescent romantic relationships in association with depressive symptoms*. Invited presentation at the research meetings of the Child and Family Center & Oregon Social Learning Center, Eugene, United States.
25. Ha, T., Granic, I., Craig, W. M., Pepler, D., Connolly, J., & Engels, R.C.M.E (2010). *Mr. blue, I'm here to stay with you: A study on interactions between adolescents with depressive symptoms and their best friend*. Paper presented at XIIIth conference of the Society for Research on Adolescence, Philadelphia, United States.
26. Ha, T., Overbeek, G., & Engels, R.C.M.E. (2009). *A longitudinal observational study on affective quality in adolescents' interactions with partners*. Presentation at SRA/EARA summer school, Vancouver, Canada.
27. Ha, T., Overbeek, G., & Engels, R.C.M.E. (2009). *Should I stay or should I go now? A longitudinal study on the predictive value of depression on relationship status in adolescents*. Paper presented at 2009 Biennial meeting of Society for Research in Child Development (SRCD), Denver, United States.
28. Ha, T., Overbeek, G., & Engels, R.C.M.E. (2008). *A longitudinal observational study on affective quality in adolescents' interactions with partners*. Presentation at Doctoral Student Workshop, Jena, Germany.
29. *Ha, T., Overbeek, G., & Engels, R.C.M.E. (2008). *Effects of Attractiveness and Social Status on Dating Desire in Heterosexual Adolescents: An Experimental Study*.

Paper presented at a workshop on “Navigating relationships: from initiation to conflict management”, Nijmegen, the Netherlands.

30. *Ha, T., Overbeek, G., & Engels, R.C.M.E. (2008). *Adolescents and being in love*. Invited presentation at a post academic course for medical doctors organized by PAOG-Heyendaal, Nijmegen, the Netherlands.
31. Ha, T., Overbeek, G., & Engels, R.C.M.E. (2008). *Observing intimate relationships of adolescents*. Junior research day of the Behavioural Science Institute, Nijmegen, the Netherlands.
32. *Ha, T. (2007). *The rocky road of love: A longitudinal observational study on affective quality in adolescents’ interactions with partners*. Invited presentation at the “Mozaiek” competition 2007 organized by NWO (Netherlands Organization for Scientific Research, equivalent to NIH), Den Haag, the Netherlands.
33. *Ha, T. (2007). *An A for dating; a study on adolescents’ relationship success*. Presentation given during a master class at the first international Wisser festival, Maastricht, the Netherlands.
34. *Ha, T., Overbeek, G., & Engels, R.C.M.E. (2007). *You and me, we have got something going; a closer look on adolescents’ intimate relationships*. Invited presentation at the XXIVth symposium of Family Research, Nijmegen, the Netherlands.

POSTER PRESENTATIONS

1. Ha, T., Shore, D. M., Kuo, C., Tucker, D., Ebbert, A., Champion, C., & Dishion, T. J. (2016). *Depression moderates neural responses to social rejection from romantic partners: A dual EEG acquisition study in adolescent couples*. Poster presented at 28th Association for Psychological Science Annual Convention, Chicago, USA.
2. Rogers, A. A., Poulsen, F. O., & Ha, T. (2016). *Parenting adolescents in the context of romantic relationships: Support and disclosure predicting problem behavior*. Poster presented at the Biennial Meeting of the Society for Research on Adolescence, Baltimore, MD, USA.
3. Ha, T., Granger, D. A., Shore, D. M., Yeung, E. W., & Dishion, T. J. (2015). *Neural responses to partner rejection predict adrenocortical reactivity in adolescent romantic couples*. Poster presented at the 45th Annual Conference of International Society for Psychoneuroendocrinology (ISPNE). Edinburgh, Scotland
4. Ha, T., Yeung, E. W., & Granger, D. A. (2015). *Adrenocortical regulation and rejection sensitivity predict interpersonal conflict in adolescent romantic couples*, Poster presented at the 45th Annual Conference of International Society for Psychoneuroendocrinology (ISPNE). Edinburgh, Scotland

5. Champion, C., Ha, T., Panza, K., & Dishion, T. J. (2015). Neural responses to unfairness: An analysis of a potential buffering effect for romantic partners using dual acquisition EEG assessments. Poster presented at the annual meeting of the Association for Psychological Science, New York, USA.
 6. Ha, T., & Kim, H. (2014). *Upregulation of positive affect as a coercive dynamical process in adolescent romantic relationships in predicting depressive symptoms*. Poster presented at the Workshop for Computational Modeling of Social Interaction, Tucson, USA.
 7. Rogers, A., Ha, T., Stormshak, B., & Dishion, T. J. (2014). An observational study of parent-child discussions of sex and adolescent sexual behavior. Poster presented at the Society for Research on Adolescence, Austin, USA.
 8. Ha, T., Overbeek, G., & Engels, R.C.M.E. (2008). *The importance of attractiveness and social status in adolescent mate choices: An experimental study*. Poster presented at XIIth conference of the Society for Research on Adolescence in Chicago, United States.
-

TEACHING ACTIVITIES

Lower-division undergraduate courses (primary instructor)

Radboud University Nijmegen, the Netherlands

Introduction to Clinical Psychology (2003; Enrollment = 35)

Developmental Psychology (2005; Enrollment = 70)

Guest lecture

Introduction to Psychology, 2 classes (2007; Enrollment = 500)

Upper-division undergraduate courses (primary instructor)

Radboud University Nijmegen, the Netherlands

Interpersonal Dynamics: Teaching students to become reliable coders on the Specific Affect Coding System (Gottman, 1994) (2007; 2008; 2010; Enrollment per course between 5-10)

Statistics consultant for master students (2012)

Advanced Clinical Psychology (2012; Enrollment = 40)

Arizona State University

I received an average grade of 1.4 on the question “*What overall grade would you give this instructor?*” using a scale from 1 (most positive) to 5 (most negative) for the course Abnormal Child Psychology.

Abnormal Child Psychology (PSY 443; 2016; Enrollment = 35)

Individual Instruction (PSY 499; 2015; 2016; Enrollment per course between 3-5)

Supervised Research (PSY 399; 2015; 2016; Enrollment per course between 10-30)

Supervised Research (FAS 390; 2013, 2014; Enrollment per course between 25-30)

Guest lecture graduate courses

Dyadic data analyses (FAS 598; 2016; Enrollment = 15)

MENTORING**Arizona State University**

Dissertation

Jaimie Arona Krems (2017)	Social Psychology
Katie Panza (2017)	Clinical Psychology
Adam A. Rogers (2016)	Family and Human Dynamics

Comprehensive Examination
