

SARRC JumpStart Internship Agreement

- This unpaid internship position will begin _____ and will last until _____.
- The JumpStart intern will complete 10 hours of internship experience per week for a minimum of one school year and will be directly supervised by Beatriz Conti.
- Internship experience will be similar to experience gained in another clinical setting with children with autism or related disorders implementing ABA based interventions.
- Responsibilities may include, but are not limited to, provide client training in applied behavior analysis (ABA) interventions, collect data, create graphs and maintain files. Work in collaboration with staff to create a safe, child-oriented, active, positive environment for children, and coordinate with other program staff to ensure program consistency.
- Upon successful performance in this internship position, the JumpStart intern may request a letter of recommendation.

I, _____, understand and agree to the terms of this internship agreement.
